

High School Students: This Summer You Can Be a Reading Buddy!

Would you like to help kids keep up their reading skills over the summer?

*Become a Reading Buddy at
Thomas Memorial Library!*

If you are a reading buddy, you can set your own schedule, and kids will sign up to read with you at the library. You'll provide them with valuable reading practice and motivation, and you will get some great community service experience to include on your college applications!

Interested? Please email
Rachel Davis at
